Subject: Request for Attendance Consideration on 8 and 9 May 2025

Respected Ma'am,

We are writing to request your kind approval for attendance on 8th and 9th May 2025. On those days, our team was shortlisted for the SYMBIOT Hackathon 2025 under the "Open Innovation" problem statement, and we delivered our project-(AgroSaathi) presentation at the event.

We built the solution, presenting it at this hackathon was an invaluable learning experience. We devoted significant time to research, development, and preparation, and we respectfully request to be marked present for those two days. We assure you that we will complete any missed coursework and submit all assignments promptly.

Thank you for your time and consideration.

Sincerely,
Anurag – 4NI22CI008– CSE-AI 0L
